Spoke to lil [REDACTED] and [REDACTED] both are studying.

[REDACTED] is waiting for her visa approval.

Everything is great here - slowly moving forward. Learning a lot! We are coming back for Christmas and probably getting another place in Palo Alto after the holidays (TBD)

Anything I can do for you while I am here?

My parents and brother are coming to visit us for two weeks on November 28th. Did Sultan get back to you about Sergey?
