Leon, Congragulations on biting the bullet. at least 18 months late , but I m encouraged and glad for you. . There is a HUGE amount of work to be done in the next 9 months. the same work that i outlined in my email of 2 years ago. (you can have it if you like). Brad wechsler is a dope. . sorry, I have been sayingt he same thing for a long time. he was a not a step up from eileen but a step sideways. in the begiging there was eileen and Tom and ralph lerner. all your picks. then brad. john, joe. and threee others that i never met. . joslin was chosen from a list of 2 peopl. each that would be limited by a salary of 250k. He complained for over a year , re his direction by eileen and ada , and then brad. He cracked after months and moths of warnings. though disable he ran your office this year. with john and joe. He ran amok, and as i told you reminded me in most conversations that you told him that he works for you and not for me and that brad needs to see everything becuase he pays him .

I have taken heat for years over the fact that i gave you carlyns name, no more . no follow up questions no interactionl (that was eileen) but somehow carlyns fuck up was my doing. . when i told you that i thought eileen wasnt up to the task, you yelled that i was talking out of both sides of my mouth. . You told me this year , that by tryhing to protect you from crazy joslin, I had in essence fired him and it was my responsibility to do his work. it then turns out that we didnt consider himpself fired,. and continued to make a really complex mess. . Joshn castrucci, was also my doing , though email after email said , I take no repsonsioity for him, i think you shouldbt hire him, , your respoinse was that was only beacuse i didnt trust him. last jan you told me he was gone. however he too is still there, and a waste of money and space.

My time is complicated by donalds potentially visciating any reason to have the foreign funds repatriation plan that i had put together. . however as you are aware I have some pretty sever decisions to make re my time in the next year or two. so at least for a few weeks I am unable to commit much time and make any future plans to redo your procrastiantion produced dilemmas.

That being said , the tasks at hand are the following.
You have a ball of string that your retarded children have formed , It has to be carefully unwound , even the subsitution of barry for your next trustee, needs focus on procedure. This is no easy task. . org charts. books , balance sheets . trust valuations. are all a part.

a re fresh of your estate plan FROM SCRATCH. . clats , trust. partnerships. grats. llcs. bank accounts , filing requirements. etc. A long overdue review of the brh tra and shareholers agreement to see how they fit into new plan. . XXXXX planning. , airplane reddo. , buying another. . ? boat sale , miami sale. . TRADING ACCOUNTS. . three years over due. . an accounting system. fire john .. joslin stays for a year. or so. so does tom. Im not sure wechsler is smart enough to be a trustee, so it would be nice if you had an alternative. I would love your son josh to do it. if i can figure it out for tax purposes. Sell Artspace and shut down regan arts. . rationalize. cash flow reporting. cash mgmt. stock sales. sec irs. gaming. foreign reporting. the 8865 mess will take months to review. . you CANNOT file unreviewed audited documents. . CANNOT> this will be very detailed work. . all avoidable if the call would have come to me , and we shut it down quickly. . limiting it . or containing it. . . you will need five new hires .as there is no one in your office that is truly an A player. I have great hope in Barry as you know. He will need to be trained. this is an unknown for them moment. time issues. After 4 years of telling you , that you could do better than Halperin, im glad that you believe barry . I take no offense in fact I take comfort in the fact that after one conversation with barry you are now convinced- as long as it happens. .

I expect as a friend you will understand that

I will no longer , not for one day , work on your mess. without compensation . your unilateral after care , not imposed on any professional except me, not paul weiss , tom, akin, , no one. is finished. though you and I had previsoly agreed no more of that , after you decided not to pay me per our agreement. you have email after

email , in the begiing stating that , if you save a great deal of money, you wont want to pay , so limit it to 40m per year. water under the bridge

If I can find the time to work , on your project , which is not certain as I have said , I hope you undertstand that it now will have to be under my standard terms and conditions. I never want to have any more money moments with you , I find it supremently distasteful. . so to be clear , my terms are as follows . I will only work for the usual 40 million per year. It needs to be paid, 25 million upon signing an agreeemnt . 5 milion every 2 months thereafter for 6 months . I will immediatly stop work , if the payment is not received. you will be left with a new estate plan a running office. a tax plan . and an investment that returns more than any painting you could possible own. . no agreement no work. I of course will talk to barry for the hour that i promised .
