To all:

Attached is an updated 8865 timeline. The additional adjustments relate to supplemental information for years 2007 and 2008 which, for reasons we discussed earlier, are more complex in light of the roll-up. Katie and Patrick are reviewing some of the older transaction files as a priority matter and will flag for us any issues they encounter along the way.

Note that this additional detail is intended to supplement the materials I already provided on Friday.

Let me know if you would like to discuss.

Best,
