Hi Nikolajs,

I went through all AIC files. Their passport information was never used in the AIC files. The only passport available in the file is that of Markus Gildner. Mr. Wu and Ms. Zhang used their Chinese IDs in all documents where identity was required, so we could only get their ID numbers if needed. But the scanned copies of their ID are not accessible to the public.

Please feel free to let me know if you have further question. I will reply to you when I have internet access.

Best regards,

Blake Yang
