

Description

SELLER WOULD LOOK ALL OFFERS. \$15,000 PRICE REDUCTION

Former Navy Admirals Barge passenger boat. Owner change his plans and wants it sold!

Built for the United States Navy by Willard Marine in Anaheim California in 1993. She was intended for a capacity of 12 passengers with a crew of three & had a major refit in 2017 by Andy Grant of Crusader Boats in Florida.

Boat has lots of potential for ferry or scuba boat! Only minor scratches during hurricane Maria.

Some upgrades include:

- Cummins 6BTA 5.9L 220hp - Rebuild (2012)
- Stripped to the basic hull and power plant (2017)
- Cockpit was lowered from the engine box aft and bench seating was built into the port and starboard sides with the old decking being replaced with new (2017)
- Transom was opened to a newly fabricated swim platform (2017)
- New fiberglass hardtop was fabricated and installed over the entire pilothouse and cockpit (2017)
- Cabin was renovated and the entire vessel was painted from the waterline up, inside and out (2017)
- New Raymarine A77 GPS (2017)
- New Raymarine Radar RD418HD (2017)
- New Standard Horizon GX1700 (2017)

- New Fusion MS-UD650 Stereo system
