well i had cancer a few years ago and almost didnt make it, I am from NC, now living in NJ with just my father up here. I with medical insurance payment cant afford to live in NYC, and because i do live two hours (by train) from ny, its very hard to make all castings and jobs, and i miss out on allot of things because of this. So when I shot with ██████████ she was kind enough to connect me with to you <ss type="smile">:)</ss>

Oh also i forgot to say, i am a very passionate person i have only been at modeling full on for about three years and i have already done alot <ss type="smile">:)</ss> most girls start off very very young like 13 years old, i didnt have that opp. because o was always too shy down in a small town of NC. [REDACTED] says you know some people at mc2, and next. I am with a small agency in NYC because i wanted that personal attention, if someone at a top agency liked me enough and had enough faith in me, I would love to show the modeling world what I'm really made of!

This was my inreadable text and my indeliverable mail:

You told me that there was no service neither before nor after, and you did not even said sorry. And when i called you waiting outside, the call passed. All this sounds faulse and i consider that you did this intentionally, may be to make me enter the restaurant. I am not a test animal.
