i am not a twenty year old boy, who has the patience to listen to you complain all the time.
, now you are upset. with no reason,, and expect me to ask over and over,, this is not for
me,, you need a child that will listen to your being upset over and over.

Feeling better... My mother noticed a difference with Adderal the first day back.
(Generally regarding tasks/projects) Adderal does lift my mood too. Until the 5th in

Munich. My mother liked Munich a lot.
