It's unbelievable story,Jeffrey.Late evening,when I had meeting with u,I went to JFK airport..My visa is expired..but because of my new lithuanian documents,I don't need schengen visa anymore..they didn't let me leave NY,they told me it's not enough to have only identity card..I missed my flight..I went back to hotel and without choice,took a flight to Moscow,because they told me,probably I can fly with this ID from Moscow to Europe..Yesterday I arrived to Moscow..stayed one night in hotel,took a flight to Paris through Geneva..After 4 hours flight to Geneva..when I passed passport control..they took my card..and they said"it's fake,u can't enter the country..7 policemen took me to special room,quetions,checking every piece of my luggage..After all of that they forced me to buy ticket back to Russia,I spent 10 hours in transit zone..and they told me I'm not allowed to come to Switzerland,for a few years at least...they just deported me..I'm in Moscow,don't know what to do...will try to make the new french visa tomorrow..

I can't believe it's happened to me...it's a sign for me to live in NYC,not in Europe..I'm exhausted,so stressed,it's so cold here,and I don't even have warm clothes..
