nothing at the moment. The last three times i talked to you,, all i heard was negative neagive negative.. now you are upset. last time you were angry with the lady, you were

annoyed with your ex for taking the dog. you were bored with your city,, you were unhappy with the weather,, you were tired from too many classes. you were annoyed with taking too many english classes.

i don't want you to feel bad -- be upset, not happy, I want you to think positive, you are beautiful, have a good life and a new friend, great sex. healthy mind,, but all you talk about is what is wrong,, I told you before I cannot listen to that, it takes all my energy, sorry,, I will try to speak tomorrow.

No no no no no,,, everything doesn't matter,, all is really good, and you can't imagine how I want to see you and I waiting you, all days think about you..and I took a lot of English courses to improve it, because for me it's important to speak with you correct
