Any ideas in going to Paris? We were thinking of going, if it"s good for you, at the end of this month, June but we have to be back by July 13. How does this time frame work for you?

We can"t do dinner on Sunday as we already have plans. Monday Woody plays at the Carlyle. Unfortunately? neither of those days work. How about Paris? Did you get my previous text message? What do you think of the dates I proposed?
