Let's eat at the restaurants in the newly renovated Ritz hotel when we're in Paris. That will be fun.

Sorry Jeffrey, you were right. I totally agree with you. It's wrong to do this with people I know without telling them. When I spoke to you last night it was in a generic way as a potential business in order to make money and since I know many people doing it I thought it was ok. I understand it's wrong but I don't believe "thief" is the appropriate word to describe it. When you say: "Imagine you ask to borrow my car. You then take it and rent it to a stranger -take the money . IT IS CALLED THEFT ." Didn't you do something similar with the Limousine ? When you first told me I thought it was a smart idea :)
