hi.. been off Skype and just saw this.. not sure I understand.. New York, Aug 16th? to have lunch with Deepak? really? maybe can be combined with something useful. Let me know if I am understanding this correctly and I will think on it.. I have to be in Seattle on the 12th of Aug for [REDACTED] mother's memorial service.. Not sure if we are heading back to portland directly from there.. that is the only possible conflict I guess... Any chance of doing something with Woody that night or night before?

oh.. well, the dates I told you about in Sept were the 18th and 19th.. I am lecturing at Harvard Physics Dept on the 16th in Boston.. If I go alone, which isn't certain, I could come to NYC on the 17th.. otherwise I might come on the 18th..

OK.. tentative, until confirmed.. I fly business class to NYC on the 15th of Sept. (I can actually see if I can change my current ticket to save money, though I expect you don't care). We do breakfast at 9 am, and are out of there at 1030, which allows us to be at harvard by 1, in case they want to do a lunch.. and then that eve we can see chomsky together if you would like.. wolfram too if you want.. or sat. am. . Next, since you offered some place in NYC on thurs night, would it also be available sat and/or sunday night?

can you bring me in the 17th then (or 18th morning at worst), so we could do breakfast or lunch on the 18th? (I don't want to do dinner with him..) If I come in on the 17th, can you provide me accommodation for that night (and the 18th too if possible, though that isn't essential because the place where I am speaking can provide me with hotel that night if necessary.. I would prefer of course not to move each night, but that isn't the end of the world). And finally, would you want to come to Boston on the 16th anyway?

hey.. I looked at my ticket on the 15th, and I actually fly to NYC and then connect to Boston.. Happy to stay in NYC if you want to head over there together the next morning. Let me know.. no rush as I will keep the ticket as is, and simply not use the last portion if we decide I am staying in NYC that night. I should let the harvard people know a week in advance or so, so they can cancel hotel if necessary for night of 15th.
