I know, I realise it's a lot of money and I appreciate what you gave me but talking to people I understood it wasn't enough (I know it's horrible to say) for living there. I just called Giacomo who told me that he is there since 3 days already and they spent more or less 200 euros each day just for dinners... Margo and I are in a house with only rich people and I'm scared that I will not be able to follow up their lifestyle if we have to split everything all the time

HI.. touching base.. heading to san fran tomorrow. Heard from people organizing this hotsy totsy Blouin event in NYC that I have to speak at on the 19th of Sept.. anyway, have told them I will probably not need the accommodation they have arranged, which is at the Metropolitan Club.. looks like a place established by a lot of rich goys. pompous and pretentious.. 2 p's I don't like..even if it is near your house.. it is the place where the event will be held on the 19th, so would be good to be staying near there.. <ss type="smile">:)</ss> I will confirm with them that I don't need their housing, once I hear back from you to confirm. <ss type="smile">:)</ss>
