   If you haven"t already, you should give money to immunotherapy. It"s on the front cover
   of the New York Times today. It"s a very interesting idea. I"m sure you"ve already checked
   it out. If you haven"t you should write them a very big check.

good,   the government of the virgin islands would like to borrow 300 million , pledge revenues and assets.   5 percent for 20 years.   I would put up 60 million and borrow the rest.   having the v.i govt guarantee.   if i could borrow the 250 with the govt guarantee at say 2.5 %   it would be a good deal for me.
