because they don't have a history with you of not living up to any agreement you make. they don't know you will let them down. you need to start with people that not know your inability to keep your word

    You can take Claritin or Benadryl, just not a decongestant. Are you having an allergic
reaction? If urine stream not getting better, let"s put you on Flomax.

Just got off the phone with Tewari and his administrator. Sinai business office simply does not "know" how to deal with a practice like mine. The "fairness committee" was not involved. Can use your help.
