I appreciate your help. The administrator in urology that is supportive is Rishi Parikh. He works with Tewari. I do not know who is the responsible person in the Sinai business office. Can I call you tonite? I"m in transit right now.

I'm not able to do things without a vision in my head. If you told me " look, you have to do this job A because it will lead you to this job B" I would do it immediately without hesitation. Having to get a random job not knowing why and where it's going to lead me brings me in a total state of confusion
