I'm still trying to get a DVD for you of Deconstructing Harry. In the meantime, and if I'm not successful, you can rent it at:

The videoroom
(212) 879-5333. They have it for \$4.89 for 3 day rental.
1402 Third Avenue Between 79Th And 80Th
New York
NY
10075
United States.

But you have to become a member in order to rent from them. This would probably be a good option as how many times would you want to watch it.

Sorry we got disconnected. The semen culture was negative. If it were positive we could get sensitivities. You were positive via a PCR assay which does not allow for sensitivities. That's because it only detects for the presence of antigen and is not a culture. You follow?
