I wanted to give you a picture of Woody and myself. An appropriate picture ;-). If I hear from people that you have told them that those books are from me I don't know what I will have to do to you. It might have to be the termination of our friendship :-). You want those questions answered by Woody don't you ? :-)

Thank you. I will tell Woody what you said. I don't necessarily agree with it though :-).

You are very kind. I can't tell you how much we really appreciate it. Going through this [REDACTED] ordeal has taught me how important kindness is. I knew it before, but it is really not to be underestimated or undervalued. Now, because I'm so vulnerable and because Woody and I have been going on four years of Hell any act of kindness makes me cry. It also might because I'm in such desperate need of it. Unfortunately, I don't have all of the details. I would have to speak to her therapist, the educational consultant and my shrink to see what they think would be best. As you can see, a lot of people are involved in this terrible situation.
