Maybe Bobby could do a small bit in the Amazon movie. Discussing that now with casting.
No pressure on seeing film. Whenever you like or never if the thought sounds too boring- and it may be just that.
Cosby is being persecuted. Ok, even if he"s guilty no one died. He"s been publicly humiliated, stripped of honors at schools, forced to cancel comedy tour, dropped from tv series that was in the works, old show taken off the air. Do they want his head on a pike?
