Helen, our production manager for the movies, said the following: I may have a hair person for \$2500. She still has to confirm 100%. Still looking for makeup. I just want to confirm that the price is OK with you before we ink her in.

The hair person that does the hair for the movies is \$2500 as I told you before. Helen was not as successful finding someone to do the make up from the movie business. A friend of

mine, whom I completely trust, highly recommends this make up artist for Saturday from 1 to 4. Is this all agreeable to you? I think three hours is enough. What do you think? Is the time good or would you like to push it to later if we're coming for lunch. I'm not sure if lunch works for you. Can I give them your home address? Please give me the name of the assistant and phone number that you would like me to give out for payment and other details. I would like to finalize everything today. If this is not what you had in mind let me know.
