**RE: Fortress VRF I LLC, et al. v. Jeepers, Inc.**

Dear Seth:

Please find enclosed a binder of the Zwirn Respondents' Exhibits, containing documents marked as Exhibits 500 through 612.

We understand that you have agreed to include alternate versions of the spreadsheet attachments to the documents marked as Deposition Exhibits 39 through 42. Note that Exhibits 609 through 612 here are the versions of Deposition Exhibits 39 through 42 that contain the spreadsheet attachments as they were used in Elise Hubsher's deposition. Please do not exclude Exhibits 609 through 612 in your de-duplication process.

Further, we reserve the right to use deposition testimony as affirmative evidence.

Sincerely,

Arastu K. Chaudhury
