This notice is to advise you of action taken on this case. The official notice has been mailed according to the mailing preferences noted on the Form G-28, Notice of Entry of Appearance as Attorney or Accredited Representative. Any relevant documentation was mailed according to the specified mailing preferences.

Receipt Notice- This notice confirms that USCIS received your application or petition ("this case") as shown above. **If any of the above information is incorrect, please immediately call 800-375-5283 to let us know.** This will help avoid future problems.

This notice does not grant any immigration status or benefit, nor is it evidence that this case is still pending. It only shows that the application or petition was filed on the date shown.

Processing time - Processing times vary by case type. You can check our website at www.uscis.gov for our current "processing times" for this case type at the particular office to which this case is or becomes assigned. On our website's "case status online" page, you can also view status or sign up to receive free e-mail updates as we complete key processing steps on this case. During most of the time this case is pending, however, our systems will show only that the case has been received, and the processing status will not have changed, because we will be working on other cases that were filed earlier than this one. We will notify you by mail, and show in our systems, when we make a decision on this case or if we need something from you. If you do not receive an initial decision or update from us within our current processing time, check our website or call 800-375-5283. Please save this notice, and any other notice we send you about this case, and please make and keep a copy of any papers you send us by any means, along with any proof of delivery to us. Please have all these papers with you if you contact us about this case.

If this case is an I-130 Petition - Filing and approval of a Form I-130, Petition for Alien Relative, is only the first step in helping a relative immigrate to the United States. The beneficiaries of a petition must wait until a visa number is available before they can take the next step to apply for an immigrant visa or adjustment of status to lawful permanent residence. To best allocate resources, USCIS may wait to process I-130 forms until closer to the time when a visa number will become available, which may be years after the petition was filed. Nevertheless, USCIS processes I-130 forms in time not to delay relatives' ability to take the next step toward permanent residence once a visa number does become available. If, before final action on the petition, you decide to withdraw your petition, your family relationship with the beneficiary ends, or you become a U.S. citizen, call 800-375-5283.

Applications requiring biometrics- In some types of cases USCIS requires biometrics. In such cases, USCIS will send you a SEPARATE appointment notice with a specific date, time and place for you to go to a USCIS Application Support Center (ASC) for biometrics processing. You must WAIT for that separate appointment notice and take it (NOT this receipt notice) to your ASC appointment along with your photo identification. Acceptable kinds of photo identification are: a passport or national photo identification issued by your country, a drivers license, a military photo identification, or a state-issued photo identification card. If you receive more than one ASC appointment notice, even for different cases, take them both to the first appointment.

If your address changes- If your mailing address changes while your case is pending, call [REDACTED] or use the "Online Change of Address" function on our website. Otherwise, you might not receive notice of our action on this case.

Notice for Customers with Disabilities

USCIS is committed to providing customers with disabilities the same level of access to its programs and activities that customers without disabilities have (see the USCIS Web site for an explanation and examples of accommodations). If you need an accommodation for your appointment due to a disability that affects your access to a USCIS program or activity OR if a disability prevents you from going to the designated USCIS location for your appointment, please call the National Customer Service Center (NCSC) at 1-800-375-5283 (TTY: 1-800-767-1833) to request an accommodation.

Call the NCSC even if you indicated on your application or petition that you require an accommodation. Also, you must contact the NCSC to request an accommodation each time you have an appointment with USCIS. For example, you must call the NCSC to request an accommodation for your biometrics appointment and again for an accommodation for your interview appointment.

NOTICE: All domestic USCIS offices are accessible to individuals with physical disabilities. You do not need to request an accommodation if your **ONLY** need is an accommodation that would enable or facilitate you having physical access to a domestic USCIS office.

NOTE: Naturalization applicants should **not** call the NCSC to request an exception from the English and/or civics testing requirement. You **must** submit Form N-648, Medical Certification for Disability Exceptions to request an exception. See the form instructions for additional information.
