Re: **Representations of Victims of Jeffrey Epstein**

Dear Mr. Josefsberg:

To assist you in your position as attorney representative for the victims of Jeffrey Epstein's federal offenses, I have enclosed the following:

1. the list of victims provided to Mr. Epstein's attorney, Jack Goldberger, on July 10, 2008;
2. a copy of a letter received from Mr. Epstein's attorney, Jay Lefkowitz, on September 2, 2008, confirming Mr. Epstein's agreement to pay your fees in connection with the representation of the identified victims;
3. a confidential victim notification log containing contact information for those victims and information on when and how they have been contacted;¹
4. copies of victim notifications sent to some victims in July 2008;

¹Please note that three victims have moved recently. As soon as we have correct contact information, that will be provided to you.

5. copies of amended victim notifications mailed on September 2 and 3, 2008;²
6. a copy of the letter provided to Judge Davis to assist in the selection of the attorney representative (I believe that you already have a copy of this); and
7. a proposed protocol for how to proceed once the attorney representative was selected.³

I also have enclosed a copy of Judge Marra's Order in the matter of *In re Jane Does 1 and 2*, which is referenced in the amended victim notifications. In short, to avoid needless and repetitive litigation, Judge Marra has provided a procedure for all identified victims to gain access to the entire agreement between Mr. Epstein and the United States, so long as the victims (and their attorneys) agree to be bound by the Court's Protective Order. I believe that you already have a copy of the complete agreement, but, if not, please execute the Protective Order and return it to me. I would also ask that, prior to showing the Agreement to others, including your co-counsel and the victims, you have each of them review and execute the Protective Order. Please return those signed Protective Orders to me for my file.

Please feel free to contact me with any questions or concerns. I also would appreciate it if you would send me your e-mail address so that I can send the updated victim log to you via e-mail.

Sincerely,

R. Alexander Acosta
United States Attorney

²Please note that, although Jack Goldberger is carbon copied on all of the victim notification letters, I redacted the addresses and contact information for the un-represented victims to reinforce the understanding that Mr. Epstein's counsel can only contact the victims via their counsel.

³Please note that Mr. Epstein's counsel objected to this protocol when it was provided to them in October 2007.
