Price:	\$9,750,000 USD	MCA: Yes	ISM: None

Overview

This classic Feadship was launched in 1987 and has been maintained and upgraded to the highest of yachting standards. An extensive interior refit was performed in the fall of 2007 with the styling by the New York interior designer Joanne de Guardiola. The classic teak interiors are the backdrop for the blues and whites that she has mixed with woven leathers, textiles and modern art.

The sky lounge and full beam main salon have new ceilings and state-of-the-art lighting systems as well as contemporary furnishings to complement the teak panels. Large plasma televisions and new stereo systems have been added in both salons. The sky lounge has a bar and the very spacious, full beam main salon has a gaming table and desk.

The owner's suite, forward on the main deck, has been reconfigured and a separate bath has been added, providing true his and hers baths. The beautiful marble walls and Sherle Wagner fixtures ensure a luxurious environment which includes a Jacuzzi bath and a shower. The master suite has a large screen plasma TV and new entertainment system.

There is a spacious full beam VIP suite, with a separate and private stairway, that has also been refurbished. The large bathroom, finished in white Thasos marble, has been fully updated with Sherle Wagner fixtures.

There are four additional aft cabins, two queen and two twin, with ensuite baths, one with a tub and the remainder with showers. The combination of cabins provide very comfortable accommodations for up to 12 guests.

The main aft deck has a Jacuzzi with sun pads, two dining tables and sliding glass side screens that reduce cross winds, but allow enough breeze to cool the area. The sun deck has been refit (fall 2009), moving the waverunners to the bow, removing the crane/davit, adding railings and a 6 stool bar, along with a grill. Sunning beds have been added forward and the exercise equipment is set up here, with an optional sun awning.

There is wireless internet, VOIP telephone and full coverage Satellite Television that provide the most up-to-date communication technologies.

Detailed Information

MACHINERY

MAIN ENGINES 1 000 HP, Twin Inboard Diesel 3508B, Caterpillar

ENGINE HOURS June 2014

Port: 20,837 hours

Stbd: 20,867 hours

GEAR BOXES Reintjes x 2 Type: WAF541

SHAFTS 2 x with 5 Bladed Propellers

SPEEDS & FUEL CONSUMPTIONS Max 15.5 knots - 330 L/hr

Cruise 12 knots -150 L/hr

Economical 10 knots -120 L/hr

RANGE 3,720 NM @ 12 knots

4,030 NM @ 10 knots

STABILIZERS Quantum zero speed

FUEL FILTERS Racor

FIRE/BILGE PUMP Calpeda

FUEL SEPERATOR Alta Laval

BOILEIS 2x G. E.

SEWAGE TREATMENT Hamann

WC's Micro flush

AIR CONDITIONING Marine Air 360,000 BTU's (3 x 120,000)

SAFETY & SECURITY EQUIPMENT

SAFETY

2 x McMurdo 406 EPIRB

1 x SART

4 x 12 M an 'Revere' life rafts

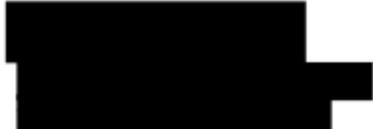

LY2 Code compliant.
