The Global Business Network for Swedish Women

## ***Merry Christmas!***

*We hope you will join us for an evening of  
BBB glitter and glamour!*

BBB – Barbro's Best & Brightest – was created in 2000 by the Swedish-American business woman Barbro C. Ehnbohm, with the aim to promote future women leaders in Swedish and international business. BBB members enjoy a unique access to Friends – an exclusive network consisting of prominent contacts acquired throughout Barbro's career in business and culture, who serve both as role models and valuable connections.
