	10/23/09	Email re (See notes for entire message)	Discala Dean Preve	Rothstein	PRODA 48646	"It is now after noon and the client has nothing. We are 8m away from the first 18m and the Sm that I have been promising her for days has not appeared. Also, we owe her another 18m and in order to avoid a disaster of monumental proportions we will need to have it this coming week. I apologize for the pressure but I am on the cusp of losing the entire Epstein case to other lawyers. Please let me know what is going on. My client clearly feels that I have lied to her repeatedly about her funding and she is one step away from going to another lawyer and to the florida bar. I can not have that happen. Keep me posted. Love ya, Scott"
