Description of Work Required:
 The following is for the kitchen and Hobbit hole ac. We are proposing to return to site and remove the other a/c unit from the kitchen. We will install a new Fujitsu unit to match the other system. Once complete we will ensure proper operation of the kitchen unit. Next we will remove the hobbit hole a/c and install the sanyo system from the kitchen in the hobbit hole. We will have to run control wire and replace a portion of the line set. Once complete will perform a start up on the system and ensure proper operation before leaving site. Thanks for choosing ARS Export Supply!
