RE: EPSTEIN, et al. v. FANCELLI PANELING

Dear Judge Carroll:

Due to a variety of unanticipated events, I ran out of time on Thursday, March 10, 2011, to submit the several things due in this and other matters that date. In this matter, I submitted an incomplete *Reply* to Plaintiffs' *Opposition to Motion to Dismiss* and a brief *Motion to Extend* the time in which I was to "show cause" for the additional time needed to do so on March 10<sup>th</sup>. I filed an *Amended Reply* that correctly reflected everything this Client wanted in its *Reply* the following day after a full day of organizing everything required to do so.

My Client is not comfortable communicating in English. His long-time Counsel in New York has a preferred way of doing things as a consequence of this and habit and I am just adjusting time and protocols to account for coordinating matters that way on this end. Enclosed, please find the (proposed) *Order* extending the time in which to provide the reasons to extend.

Sincerely,

Treston E. Moore
