## PROPOSAL

### RE: SKYLIGHT GLASS UPGRADE

Four Seasons / Suburban Sunrooms, inc. submits a price of \$60,800 to replace all glass and exterior aluminum caps on an existing rooftop skylight. Price includes materials and non-union, non-prevailing wage labor.

- Remove existing exterior caps and insulated glass panels
- Furnish and install new glass as follows:
  - 1" Insulated Low E Argon tempered outboard lite & laminated outboard lite
- Furnish and install new exterior aluminum glazing caps with rubber gaskets and exterior beauty caps
- Reseal unit exterior with Dow 795 silicone sealant
- Remove old glass and aluminum frame from jobsite
- 10 year warranty on glass seals and 2 year warranty on labor
- Final cost subject to site review by construction manager
- Please allow 10-12 weeks for start of work from signing of agreements
- A 35% deposit is due upon signing of agreements
- Owner is responsible for protection below skylight during glass replacement

Please call with any questions or to setup a jobsite visit.

Sincerely,
