#### PRODUCT DESCRIPTION

Woven from a rich blend of Belgian linen and cotton, our heavyweight fabric is brushed to create a luxe, velvet-like texture with vintage appeal. Our custom, 3-fold French Pleat drapery is a contemporary version of the classic French Pleat, gathered into three pleats 4" from the top. Designed and handcrafted in the USA, the custom panels are constructed using two-and-a-half times the fabric of ready-made panels for built-in fullness. Use the panels alone, combine them with our custom shades or layer them on the same window. Shipped to your home in 14 days.

- Drapery is custom-made to order and assembled in the USA
- Custom panels are designed and constructed with two-and-a-half times the fabric of ready-made panels and therefore have built-in fullness. There is no need to add additional width to create fullness.
- A classic pinch-pleat style designed to open and close easily
- Pleats stack neatly at sides when drapery is open
- Choose from 4 lining styles: unlined, privacy, blackout, or privacy with interlining
- Built-in stiffener in each pleat maintains shape over time
- Pre-installed with drapery hooks for hanging, with loopings (sold separately)
- We recommend using 7 loopings per each 20" of width
- Pair with our custom hardware to complete the look
- Professional measuring and installation available
- Dry clean
- If ordering more than one type of custom drapery, please note that your drapes may arrive in separate shipments
- For additional assistance, please contact RH Custom Drapery at 888.688.2809
