William H. Gates

Dear Bill:

**RE: Letter of Agreement Regarding Purchase of Partnership Interest**

Effective September 3, 2013, This letter sets forth the agreement by and between you, William H. Gates (“Gates”), and me, Dr. Boris Nikolic (“Dr. Nikolic”), with respect to the purchase by Gates from Dr. Nikolic of Dr. Nikolic’s interest in a partnership, under the terms of which we discussed potential investment in a range up to \$100 Million in certain investments discovered and researched by Dr. Nikolic (the “Investment Entity”). Only two of such investments, totaling Twenty Million Dollars, as detailed below, were ever made. The partnership was formed effective April 1, 2013. We now agree to dissolve and wind up the Investment Entity and Gates shall purchase from Dr. Nikolic Dr. Nikolic’s interest in the Investment Entity. Gates and Dr. Nikolic have agreed as follows:

**Dissolution and  
Winding Up the  
Partnership**

Dr. Nikolic acknowledges and agrees to the dissolution and winding up of the Investment Entity, that he has disassociated himself from the Investment Entity, and that Gates shall have the exclusive authority to wind up the Investment Entity.

**Sale and Purchase  
of Interest in  
Investment Entity**

As part of the dissolution and winding up of the Investment Entity, Dr. Nikolic shall, and does hereby agree to, sell, transfer and convey to Gates, and Gates shall purchase from Dr. Nikolic, all of Dr. Nikolic’s right, title and interest in and to the Investment Entity and the underlying partnership assets for a purchase price equal to the aggregate of all amounts payable under all Investment Entity Payment Demands (as hereinafter defined) to be made by Dr. Nikolic to Gates during the Payment Period (as hereinafter defined) pursuant to this Agreement. Such sale and purchase shall be deemed to have been completed, effective upon Gates’ payment in full to Dr. Nikolic of all amounts payable under all Investment Entity Payment Demands to be made under this Agreement.

**Advance**

Gates will cause to be paid to Dr. Nikolic the sum of One Million Two Hundred Fifty Thousand Dollars (\$1,250,000) upon execution of this Agreement, and, provided Dr. Nikolic remains in compliance with his obligations to Gates, One Million Two Hundred Fifty Thousand Dollars (\$1,250,000) on January 1, 2014 (collectively, the “Advances”), as advances against Gates’ payment to Dr. Nikolic of the amounts due under the Investment Entity Payment Demands to be made by Dr. Nikolic to Gates pursuant to this Agreement. Dr. Nikolic shall be entitled to retain such Advances even if there is no increase in value in the Foundation

Medicine Investment or the ResearchGate Investment prior to the end of the expiration of the Payment Period and there is no guaranty that the Foundation Medicine Investment or the ResearchGate Investment will result in any additional value above and beyond the Advances, upon which Dr. Nikolic can call under the terms of this Agreement. To the extent there is an increase in value above the amount of such Advances, the amount of the Advances will be offset first before any amounts are due Dr. Nikolic. Such Advance payments shall be made by wire transfer to a proper account designated in writing by Dr. Nikolic to Gates.

**Foundation  
Medicine, Inc. and  
ResearchGate  
GmbH**

Gates, through one or more affiliated entities (the "Gates Purchaser"), has heretofore made an investment in Foundation Medicine, Inc., a Delaware corporation with principal offices located in Cambridge, Massachusetts ("Foundation Medicine"), in the amount of Ten Million Dollars (\$10,000,000) (such investment, together with any and all dividends, payments, distributions, securities or other items of value at any time previously or hereafter distributed or paid by Foundation Medicine to the Gates Purchaser in respect of such investment shall be referred to herein as the "Foundation Medicine Investment"), and an investment in ResearchGate GmbH, a German company with limited liability located in Berlin, Germany ("ResearchGate"), in the amount of Ten Million Dollars (\$10,000,000) (such investment, together with any and all dividends, payments, distributions, securities or other items of value at any time distributed or paid by ResearchGate to the Gates Purchaser in respect of such investment shall be referred to herein as the "ResearchGate Investment").

**Investment Entity  
Payment Demands**

At any time and from time to time commencing on the date hereof and continuing through and including September 3, 2016 (the "Payment Period"), Dr. Nikolic shall have the right, exercisable by written notice to Gates, to demand payment of the increase in value in respect of all or a portion of the Foundation Medicine Investment and/or up to fifty percent (50%) or a portion of fifty percent (50%) of the ResearchGate Investment (an "Investment Entity Payment Demand"). Dr. Nikolic may deliver to Gates up to an aggregate of four (4) Investment Entity Payment Demands during the Payment Period. The amount of each Investment Entity Payment Demand shall be equal to the sum of:

1. The portion of the Foundation Medicine Investment, expressed as a percentage, as to which Dr. Nikolic in his sole discretion elects to make such Investment Entity Payment Demand (provided it is equal to or smaller than any percentage remaining after any prior partial percentage Investment Entity Payment Demands), multiplied by the difference of (a) the fair market value of the Foundation Medicine Investment (including all dividends,

payments, distributions, securities and other items of value at any time previously or hereafter distributed or paid by Foundation Medicine in respect of such investment) as of the date of such Investment Entity Payment Demand, less (b) Ten Million Dollars (\$10,000,000) and less any prior payments, including the Advances; and

2. The portion of the ResearchGate Investment, expressed as a percentage, as to which Dr. Nikolic in his sole discretion elects to make such Investment Entity Payment Demand (provided it is equal to or smaller than any percentage remaining after any prior partial percentage Investment Entity Payment Demands), multiplied by the difference of (a) the fair market value of the ResearchGate Investment (including all dividends, payments, distributions, securities and other items of value at any time previously or hereafter distributed or paid by ResearchGate in respect of such investment) as of the date of such Investment Entity Payment Demand, less (b) Ten Million Dollars (\$10,000,000) and any prior payments, including the Advances.

The portion of the Foundation Medicine Investment as to which any Investment Entity Payment Demand may be made at any given time may not exceed the difference of 100% less the aggregate percentage of the Foundation Medicine Investment as to which all then prior Investment Entity Payment Demands were paid by Gates to Dr. Nikolic. The portion of the ResearchGate Investment as to which any Investment Entity Payment Demand may be made at any given time may not exceed the difference of 50% less the aggregate percentage of the ResearchGate Investment as to which all then prior Investment Entity Payment Demands were paid by Gates to Dr. Nikolic.

In the event that all of the shares of Foundation Medicine or ResearchGate are acquired by a third party entity, not affiliated with either of the parties to this Agreement, then the remaining interest of Dr. Nikolic under this Agreement, in the acquired company, shall be calculated immediately following the date on which the final interest of the Gates Purchaser is known and such amount shall be paid out by Gates to Dr. Nikolic and Dr. Nikolic shall have no further claim under this Agreement as to that particular investment.

**Fair Market Values** For purposes of calculating the fair market value of the Foundation Medicine Investment and the ResearchGate Investment, the following shall apply:

1. Fair market values shall be determined jointly by Gates and Dr. Nikolic, reasonably, in good faith and in accordance with the provisions hereof.

2. No discounts (including, without limitation, minority discounts or discounts for lack of marketability) will be applied in determining fair market values.
3. Whether or not the Gates Purchaser shall hereafter sell, transfer, convey, encumber or otherwise dispose of all or any portion of the Foundation Medicine Investment or the ResearchGate Investment, other than as provided for in the foregoing paragraph related to an acquisition of the entire company by a third party, the fair market value of each of the Foundation Medicine Investment and the ResearchGate Investment shall be calculated as if no such sale, transfer, conveyance, encumbrance or other disposition ever occurred.
4. Securities traded on any domestic or foreign exchange or included in the NASDAQ Stock Market are valued at their last sale prices reported on the day as of which the value is being determined, or if a security did not trade on such day, the last sale price on the next preceding day on which a sale price was reported. Values in any currency other than U.S. Dollars shall be converted to U.S. Dollars at prevailing exchange rates mutually agreed to by the parties in good faith.
5. In valuing privately held, illiquid equity securities of an issuer, the value of the issuer's total equity will be determined using the valuation of the specific class of equity in the company as determined by the company for purposes of that company's most recent round of financing to have occurred prior to the date that Dr. Nikolic makes a given Investment Entity Payment Demand; provide, however, if any such valuation is more than twelve (12) months old at the time that Dr. Dr. Nikolic makes an Investment Entity Payment Demand, then the parties agree to engage a mutually agreed upon third party appraiser to provide them with a then current appraisal of the interest held by the Gates Purchaser in such company.
6. During the period that Dr. Nikolic is permitted to make Investment Entity Payment Demands hereunder, upon request from Dr. Nikolic, Gates shall give Dr. Nikolic written notice of any dividends, payments, distributions, securities or other items of value distributed or paid by Foundation Medicine in connection with the Foundation Medicine Investment or by ResearchGate in connection with the ResearchGate Investment. Such notice shall include all relevant terms, provisions and other details regarding any such dividends, payments, distributions, securities and other items of

value so distributed or paid.

7. At all times while Dr. Nikolic is permitted to make an Investment Entity Payment Demand hereunder, upon request from Dr. Nikolic, Gates shall provide Dr. Nikolic with true and correct copies of all valuations, financial statements (whether audited or unaudited), reports and other communications which Gates or the Gates Purchaser receives from or delivers to Foundation Medicine or ResearchGate promptly after receiving or delivering the same, provided Gates is not otherwise legally or contractually prohibited from sharing any such information with a third party.

**Payment of  
Investment Entity  
Payment Demands**

Gates shall pay Dr. Nikolic the full amount of each Investment Entity Payment Demand within fifteen (15) days after Gates receives such Investment Entity Payment Demand. Payment shall be made by wire transfer to a proper account designated in writing by Dr. Nikolic to Gates. Default interest shall accrue and be due and payable by Gates to Dr. Nikolic on all such late, outstanding amounts at the default rate of the lesser of (1) twelve percent (12%) per annum and (2) the maximum interest rate allowed by law, until all such outstanding amounts are paid in full.

**No Sale of  
Investments  
Required**

Nothing provided in this Agreement shall be deemed to require Gates or the Gates Purchaser to make any sale or other disposition of all or any portion of the Foundation Medicine Interest or the ResearchGate Interest in connection with any or all of the Investment Entity Payment Demands by Dr. Nikolic; it being understood that Dr. Nikolic holds no interest whatsoever in the Foundation Medicine Investment or the ResearchGate Investment and that the Gates Purchaser shall be free in its sole discretion to hold for as long as it shall so desire, or to sell, encumber or otherwise dispose of at any time and from time to time, all or any portion of the Foundation Medicine Investment and the ResearchGate Investment, whether before or after Dr. Nikolic makes any or all Investment Entity Payment Demands. Gates has no obligation to make any further investments in either Foundation Medicine or ResearchGate, or in any other entity.
