

SG Blocks / dangene + jennie design...

philosophy

SG Blocks and dangene + jennie **design**...

specialize in delivering superior solutions and sophisticated, turnkey residential and retail projects. Through exceptional design and innovative steel construction methods, our team of seasoned and pioneering experts deliver inspired buildings within strict time constraints and a conscious budget.

SG Blocks and dangene + jennie **design...**  
bring everything together from concept to execution

SG Blocks and dangene + jennie design...  
on average 40% faster than conventional construction  
10%-20% less expensive than traditional constructions methods

turnkey solutions  
temporary, transitional, or permanent  
environments to live, work, and play

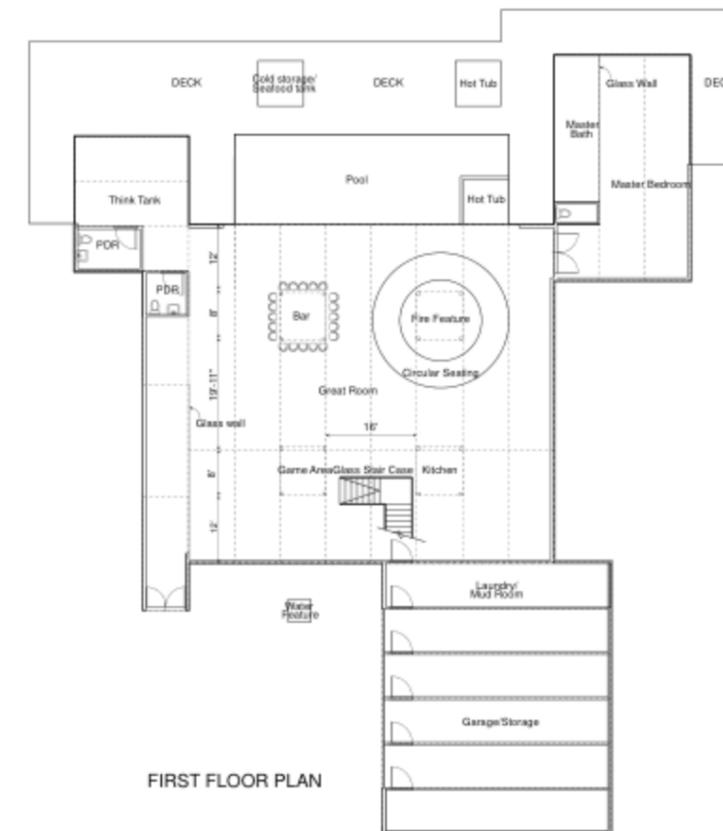

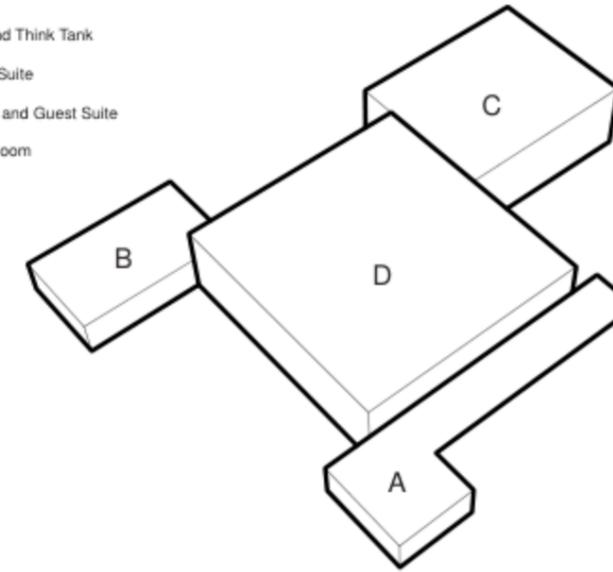

Reimagine what's possible...  
creations from concept to completion
