Dear Mrs. Cecile deJongh:

I am writing to thank you for selecting me as your 2011 Math and Science Tuition Scholarship recipient. I would also like to thank you for deferring my scholarship until my sophomore year of college. I have recently completed my first year of studies at Goucher College. Although my course load was rigorous and demanding, I was able to maintain a 3.98 GPA. Unfortunately, due to my inability to meet Goucher's financial requirement, I will be transferring to Wesleyan College, an all-girls institution in Macon, Georgia. During my time at Goucher I became very fascinated with neurology and cognitive science. My newfound interest has influenced my decision to major in Neuroscience at Wesleyan College.

The following is the address of Wesleyan College (I've also attached a copy of my acceptance letter):

If you have any questions, please call me at [REDACTED] I look forward to hearing from you soon. Once again, thank you for your financial support and may you have a pleasant day!

Sincerely,

Diamond Ash
