

Dear [REDACTED],

Due to the lack of client response, we regret to inform you that MC2 will be unable to represent you any further in the New York market.

This does not constitute a release from any debt responsibility for your contractual obligations.

We understand that perhaps another agency will be able to do more for you. However, there is a balance of ~~\$4017.85~~ present on your account. When all accounting matters are settled, please call to make arrangements concerning your materials. Please contact Janine at [REDACTED] to address any and all issues.

It was a pleasure to represent you. Good luck in all your future career endeavors.

Sincerely,

Fred Blic
