collected 800.00 to perform services and did not complete. I am presently reporting him to Attorney General and charging for theft of service. Canfield Ohio

Disbarred Attorney, Swindler and Thief, this con-man swindled Ernesto Liebster's estate out of 25,000. After cleaning out some his life insurance left to the family. He then went out and bought a new car with the cash he took. The Florida Bar is now in receipt of his cowardly, unprofessional, Illegal deeds and hopefully hell get disbarred one more time. Look him up on AVVO for Attorneys. His rating is a ONE. The lowest possible score you could get without being in the negative ratings.

His daughter is married to Adam Sandler, the actor, comedian and she wants NOTHING to do with this creep. He left her mom with her 4 brothers and sisters in 1994 penniless while spending their savings on a tramp, Karen, he found in a Ft Lauderdale bar. Once she cleaned him out she dumped him as his second wife did too just recently. His own daughter does not speak to him and he has never seen his granddaughters. [continued below]....

In fact AVVO says:

*What is the Avvo Rating?
The Avvo Rating is our effort to evaluate a professional's background. The rating is calculated using a mathematical model that considers the information shown in a professional's profile, including a professional's years in practice, disciplinary history, professional achievements and industry recognition all factors that, in our opinion, are relevant to assessing a professional's qualifications.*

Adam Sandler's Father-In-Law, a Low Life!

AUTHOR: James - (United States of America)

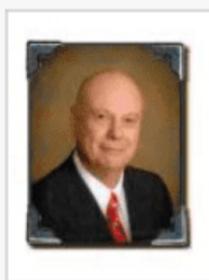

SUBMITTED: Saturday, May 19, 2012

How about this, Joe titone, Pompano Beach Attorney, is Sandler's father in law. That's right his daughter Jackie is married to Adam Sandler. But Titone was not invited to his own daughter's wedding because she knows he's a lowlife piece of garbage. She caught him with a strange woman in his bed when he was married to her mom Lila. This scumbag would bring women home to his Coral Springs Family Home and when his wife was visiting her mom and dad would entertain women in his own bedroom! This is a fact.

His own children have disowned him as well as most of his friends. This trouser snake is about as low as they come. Imagine having a successful son in law like Sandler, a real family man who has two children with his daughter and he can't see them because he's a slime-bag who left his kids without food or electric when he deserted the family when they were teenagers and let them fend for themselves. None of his kids want anything to do with him and rightfully so.

They say what goes around comes around, his is coming soon we hope.

Titone is a thief, a proven fact in court of law. He now states that he had Darren Baysinger's authority to file a lawsuit so he could steal money from a widow. It doesn't get much more chicken s**t then this. Baysinger and Titone are 2 of a kind. These creeps are exactly who you want to see go to jail. Anyone who would steal from a widow and her son deserve to get arrested and charged with theft.

LARAINÉ TITONE dumped him after 5 years of marriage, this was his second wife who had enough of this womanizer liar. *In his fourth year in the House, Titone is still trying to carve out a niche in the legislative process and stronger support for his proposals. **The attorney also has been criticized for not being a team player.*** For example, he voted against emergency funding for an AIDS care and treatment center at Jackson Memorial Hospital in Miami, prompting one delegation leader to note that such votes make it difficult to negotiate regional support when Broward needs it. Titone said he thought the money should be spent on research. Emphasizing the need to defeat bad bills, Titone said he fought for landlords' rights in the mobile home reforms pushed by Rep. Tom Armstrong, D-Plantation, saying, "I tied that bill up for three weeks."
Titone logged a questionable attendance record this year, missing five of the first 27 days the House was in session, according to Clerk of the House records. Titone attributed one absence to "a death in my wife's family ... it was her uncle's son," but conceded that his attendance record could be better and that he will "try to improve" it. Titone did work hard on what he called his main priority -- to help bring a \$2.8 million aquatic complex to Coral Springs. He also achieved some success in his bill calling for new judges to be elected rather than appointed this year. Also approved was Titone's plan to enable public school and community colleges to accept certain donations of goods and services in lieu of student fees.

Besides his disbarment, The Florida Bar Reprimands include **Case NO. 71,699** Titone failed to show up for a hearing and his client lost another **Case NO. 71,182** After receiving money from a client to handle a cocaine charge Titone with drew never showing up for the hearing. In both cases he was charged with failure to protect his clients interest, making a false statement and charged with **conduct involving dishonesty, fraud, deceit or misrepresentation**; a public reprimand was given and restitution was made to his clients.

Don't take my word, all of this information is public record an this scumbag, don't hire him, don't confide in him especially if you're a woman, unless you want to see his goods?

Joe Titone is a Crook!

AUTHOR: James - (United States of America)

SUBMITTED: Monday, January 30, 2012

Saw this report and definitely agree!!

How he got his license back to practice law says something about the Florida Bar. This charlatan has been scamming fees for years. You hire him, pay him and he does very little or nothing. Even when he was a State Representative he was totally useless, just read his reviews while he was in office 1982-1988 district 89 Broward County Florida; totally worthless.

He took money from a drug dealer after the State paid him for the case in 1992 and was arrested by the State Attorney's office and disbarred. This was the only one he was caught for but there were many more, he pleaded out for no jail time. After this he went through a divorce where his wife found that Titone hid assets through his parents bank accounts, had cash and jewelry stashed in friends homes and was living with his girlfriend while the family had no electric on in their home because he left his wife with no money to raise 4 children; who today do not speak to him, they have no use for him. He left them high and dry, no food, no electric and no support at all. His wife's parents had to have the electric turned back on

Both he and his brother Anthony, another loser attorney, have been in trouble with the Florida Bar and law enforcement in the past, look them up on AVVO, a site that rates Lawyers. DO NOT hire this lowlife to represent you even in a dog bite case, you will spend money that he'll pocket and then release himself from your case keeping your fee. He is dishonest and self serving. His latest divorce from his second wife Loraine says it all. Both brothers have had multiple failed marriages, womanizers and Joe Titone has a fetish for exposing himself to women he meets, this is true, there a many that will attest to the fact that he cannot keep his johnson in his pants when he gets the opportunity. Sad, very sad that this cretin is still practicing law.

Today he runs some companies with a partner named Darren Baysinger. Their companies are used to scam money from unsuspecting investors. I'm sure there's a bunch of people who invested with them that have lost their life savings. Baysinger runs his scams out an office in Pembroke Pines FL under Advantium Group
