Re: Main Entrance Gate

Brice,

My quote for the above reference project did not include the loops. I would like to submit a change order to install the loops. the cost would be for the material only. As always I appreciate the work we do at the Ranch, and I am willing to remove the existing loops and install the new loops for no additional cost for labor. The loops are \$ 435.00 plus shipping.

1 year warranty on labor
Manufacturers warranty

If you have any question, please call me at [REDACTED]

Thank you,

JJ Blea, Managing Partner
