

RULES AND REGULATIONS OF THE RESIDENTIAL SECTION

The entrances, passages, public halls, elevators, vestibules, corridors and stairways of the Residential Section shall not be obstructed or used for any other purpose than ingress to and egress from the Residential Units.

No article (including, but not limited to, garbage cans, bottles or mats) shall be placed in any of the passages, public halls, vestibules, corridors, stairways or fire tower landings of the Residential Section, nor shall any fire exit thereof be obstructed in any manner. Nothing shall be hung or shaken from any doors, windows or roofs or placed upon the window sills of the Residential Section.

Neither occupants nor their guests shall play in the entrances, passages, public halls, elevators, vestibules, corridors, stairways or fire towers of the Residential Section.

No public hall or public elevator vestibule of the Residential Section shall be decorated or furnished by any Residential Unit Owner in any manner.

Each Residential Unit Owner shall keep such Unit Owner's Unit and any Limited Common Elements appurtenant thereto (including the surface of any Terrace appurtenant to a Residential Unit) in a good state of preservation and cleanliness, and shall not sweep or throw or permit to be swept or thrown therefrom, or from the doors or windows thereof, any dirt or other substance. Any determination as to what constitutes a good state of preservation and cleanliness for any Unit Owner's Terrace shall be within the sole but reasonable discretion of the Condominium Board. Each Residential Unit Owner shall maintain the exterior of the Unit, including but not limited to the windows and Terraces in an aesthetically pleasing manner as determined in the sole discretion of the Condominium Board. The Condominium Board shall have the right to establish requirements and limitations regarding the type, color and amount of furnishings that a Residential Unit Owner can place on such Unit Owner's Terrace.

No window guards or window decorations shall be used in or about any Residential Unit, unless otherwise required by Law, except such as shall have been approved in writing by the Residential Board or the managing agent of the Residential Section, which approval shall not be unreasonably withheld or delayed. Draperies, curtain or venetian blinds, if installed by a Residential Unit Owner on the windows or sliding glass doors of a Residential Unit must be so maintained at all times so the color visible from outside the such Unit will appear beige or off-white.

No radio, television aerial, satellite, disk or similar devices shall be attached to or hung from the exterior of the Residential Section and no sign, notice, advertisement or illumination shall be

inscribed or exposed on or at any door or window or other part of the Residential Section except such as are permitted pursuant to the Declaration or the By-Laws or shall have been approved in writing by the Residential Board or the managing agent of the Residential Section, nor shall anything be projected from any door or window of the Residential Section without similar approval, except as may otherwise be provided by Law.

No heat, ventilator or air conditioning device shall be installed in any Residential Unit without the prior written approval of the Residential Board, which approval may be granted or refused in the sole discretion of the Residential Board.

All radio, television or other electrical equipment of any kind or nature installed or used in each Residential Unit shall fully comply with all rules, regulations, requirements or recommendations of the New York Board of Fire Underwriters and the public authorities having jurisdiction and the Residential Unit Owner alone shall be liable for any damage or injury caused by any radio, television or other electrical equipment in such Residential Unit Owner's Unit.

No velocipedes, bicycles, scooters or similar vehicles shall be allowed in any of the elevators other than the elevators designated by the Residential Board or the managing agent of the Residential Section for that purpose, and no baby carriages or any of the above-mentioned vehicles shall be allowed to stand in the passages, public halls, vestibules, corridors or other public areas of the Residential Section.

No Residential Unit Owner shall make or permit any disturbing noises or activity in the Residential Section, or do or permit anything to be done therein, which will interfere with the rights, comfort or convenience of other Unit Owners or the tenants or occupants of the Commercial Section. No Residential Unit Owner shall play or suffer to be played any musical instrument, or practice or suffer to be practiced vocal music, or operate or permit to be operated a phonograph, radio, television computer, stereo or other loud speaker in such Unit Owner's Unit between 11:00 P.M. and the following 7:00 A.M., if the same shall disturb or annoy other occupants of the Building, unless the same shall have the prior written consent of the Residential Board. No construction or repair work or other installation involving noise shall be conducted in any Residential Unit except on weekdays (not including legal holidays) and only between the hours of 8:00 A.M. and 5:00 P.M., unless such construction or repair work is necessitated by an emergency or unless such work is performed by Declarant.

Servants, messengers and tradespeople visiting or residing in the Residential Section may be required to use the elevators designated by the Residential Board or the managing agent of the Residential Section for that purpose, for ingress and egress, and shall not use any of the other elevators for any purpose, except that nurses in the employ of Residential Unit Owners or their guests or tenants may use any of the other elevators when accompanying said Unit Owners, guests or tenants. However, a guest or visitor of a Residential Unit Owner may use any of the elevators freely, if authorized by such Unit.

- All service and delivery persons may be required to use the service entrance unless otherwise directed. All packages, whenever feasible, will be required to be delivered by outside personnel to the package room in the lobby where such packages will be held for pick-up by Residential Unit Owners. Deliveries, if made, will be made from the package room to individual Residential Units only by building personnel or as otherwise directed by building personnel. Such deliveries will be made only at such times as a Unit is occupied by the resident thereof or an authorized person and said resident or authorized person is willing to accept delivery. If the Residential Unit is not so occupied or delivery is declined, the package will be held in the package room until the resident or authorized person returns or requests delivery. In the case of packages containing perishable food items, service or delivery persons who are registered with building personnel will be permitted to make deliveries directly to individual Residential Units after such service or delivery persons have received approval for such delivery from the Residential Unit Owner.

- Trunks and heavy baggage shall be taken in or out of the Residential Section by the elevators designated by the Residential Board or the managing agent of the Residential Section for that purpose, and through a designated entrance only.

No refuse from the Residential Units shall be sent to the below grade levels of the Building except at such times and in such manner as the Residential Board or the managing agent of the Residential Section may direct.

Water-closets and other water apparatus in the Residential Section shall not be used for any purpose other than those for which they were designed, nor shall any sweepings, rubbish, rags or any other article be thrown into the same. Any damage resulting from misuse of any water-closets or other apparatus in a Residential Unit shall be repaired and paid for by the Owner of such Unit.

No occupant of the Residential Section shall send any employee of the Residential Section or of the managing agent thereof out of the Building on any private business.

19. The agents of the Residential Board or the managing agent, and any contractor or worker authorized by the Residential Board or the managing agent of the Residential Section, may enter any room or Residential Unit at any reasonable hour of the day, on at least one day's prior written notice to the Residential Unit Owner, for the purpose of inspecting such Residential Unit for the presence of any vermin, insects or other pests and for the purpose of taking such measures as may be necessary to control or exterminate any such vermin, insects or other pests; however, such entry, inspection and extermination shall be done in a manner so as not to unreasonably interfere with the use of such Residential Unit for its permitted purposes.

20. Corridor doors shall be kept closed at all times except when in actual use for ingress or egress to and from public corridors.

The Residential Board or the managing agent of the Residential Section may retain a passkey to each Residential Unit. If any lock is altered or a new lock is installed, the Residential Board or the managing agent of the Residential Section shall be provided with a key thereto immediately upon such alteration or installation. If the Residential Unit Owner is not personally present to open and permit an entry to such Unit Owner's Unit at any time when an entry therein is necessary or permissible under these Rules and Regulations or under the By-Laws and has not furnished a key to such Board or such managing agent, then the Residential Board or such managing agent or their agents (but, except in an emergency, only when specifically authorized by an officer of such Board or an officer of the managing agent) may forcibly enter such Unit without liability for damages or trespass by reason thereof (if during such entry reasonable care under the circumstances is given to such Unit Owner's property).

21. No vehicle belonging to a Residential Unit Owner or to a member of the family or guest, tenant or employee of a Residential Unit Owner shall be parked in such manner as to impede or prevent ready access to any entrance to or exit from the Building by another vehicle.

22. Residential Unit Owners will faithfully observe the following procedures with respect to the use of the compactor: (a) wrap dust, floor and powdered waste in compact packages before depositing the same; (b) thoroughly drain and wrap in paper all garbage before depositing the same; (c) refrain from forcing large bundles into the chute; (d) crush into tight bundles all loose papers before placing the same in the hopper door; (e) deposit all bundles of waste into the hopper; (f) refrain from depositing waste of an explosive nature therein; (g) observe all Laws regarding the recycling of refuse then imposed by governmental agencies having jurisdiction thereover and (h) observe any additional recycling rules established by the Condominium Board or the Residential Board.

Except as permitted under the Declaration and By-Laws, Residential Unit Owners, their families, guests, servants, employees, agents, visitors, tenants, sublessees or licensees shall not at any time or for any reason whatsoever enter upon or attempt to enter upon the roof of the Building.

Residential Unit Owners, their guests, servants, employees, agents, visitors, tenants, sublessees or licensees shall not cause or permit any unusual or objectionable noise or odors to be produced upon or to emanate from their Units or any public portions of the Building.

No Residential Unit Owner or any of such Unit Owner's agents, servants, employees, licensees, tenants, sublessees or visitors shall at any time bring into or keep in such Unit Owner's Unit any inflammable, combustible or explosive fluid, material, chemical or substance, except as shall be necessary and appropriate for the permitted uses of such Unit.

If any key or keys are entrusted by a Residential Unit Owner or by any member of such Unit Owner's family or by such Unit Owner's agent, servant, employee, tenant, sublessee, licensee or visitor to an employee of the Residential Board or the managing agent of the Residential Section, whether for such Unit Owner's Unit or an automobile, trunk or other item of personal property, the acceptance of the key shall be at the sole risk of such Unit Owner, and neither the Residential Board nor the managing agent of the Residential Section shall be liable for injury, loss or damage of any nature whatsoever, directly or indirectly resulting therefrom or connected therewith.

Nothing shall be done or kept in any Residential Unit or in the General or Limited Common Elements which will increase the rate of insurance of the Building or contents thereof without the prior written consent of the Condominium Board. No Residential Unit Owner shall permit anything to be done or kept in such Unit Owner's Unit or in the General or Limited Common Elements which will result in the cancellation of insurance on the Building or which would be in violation of any Law. No waste shall be committed in the General or Limited Common Elements.

The Boards shall have the right from time to time to relocate any portion of the Common Elements devoted to storage or service purposes.

No group tour or exhibition of any Residential Unit or its contents shall be conducted, nor shall any auction sale be held in any Residential Unit, without the prior consent of the Residential Board or the managing agent of the Residential Section.

In the event that any Residential Unit is used for home occupation purposes which are permitted by Law and the By-Laws, in no event shall any patients, clients or other invitees be permitted to wait in any lobby, public hallway or vestibule.

Unless expressly authorized by the Residential Board in each case, at least 80% of the floor area of each Residential Unit (excepting only kitchens, pantries, bathrooms, closets and foyers) must be covered with rugs, carpeting or equally effective noise-reducing material.

There will be no barbecuing in the Residential Units in their Limited Common Elements (including Terraces), or the General Common Elements, except for those areas (if any) specifically designated for barbecuing by the Residential Board.

The Residential Board reserves the right to rescind, alter, waive or add, as to one or more or all occupants, any rule or regulation at any time prescribed for the Residential Section when, in the reasonable judgment of the Residential Board, the Residential Board deems it necessary or desirable for the reputation, safety, character, security, care, appearance or interests of the Residential Section, or the preservation of good order therein, or the operation or maintenance of the Residential Section, or the equipment thereof, or the comfort of Unit Owners, occupants or others in the Residential Section. No rescission, alteration, waiver or addition of any rule or regulation in respect of one Residential Unit Owner or other occupant shall operate as a rescission, alteration or waiver in respect of any other Residential Unit Owner or other occupant.

No article, including, but not limited to, bicycles and similar vehicles, shall be stored or allowed to stand on Terraces, other than furniture of the kind usually maintained in outdoor areas.
