

Transfer Schedule

Wednesday 13th April 2011

Dear Mr. 

I am writing to you today to confirm the status on you trading account with Atlantis Financial.

The entry level for this private equity project has been based on 100,000 shares i.e. a corporate block entry.

Your brokerage management fee is based on this entry level. The corporate block has an exit value of €1,300,000 prior to a sell commission of 1%. As the management fee is based at 2% the €26,000 allocated today will fulfill that requirement. This position is also convertible into shares once your GTSL exit is concluded.

No additional requirement is necessary to complete the repatriation of funds on your account. Providing this transfer is secured on or before Friday 22nd April 2011 as confirmed today the entire process will be completed no later than the end of April 2011.

The Directorship share position and assurance bond you have already secured valued at €92,027 will also be added to the exit value stated above as both these positions are retrievable.

Mr. Thomas Salford will contact you immediately once this position has cleared to arrange your exit paperwork in full.

Yours sincerely,

Atlantis financial
