Thanks so much Peggy. Moving you to bcc.

Dear Jeff,

Thank you again for your incredibly generous support to IFP last year. Please find the attached report which outlines our new and exciting programming you so generously help fund. All of us at IFP so appreciate your support, your contribution has been greatly impactful.

We hope you will consider renewing your support so we can continue to build on this amazing new program.

[REDACTED] also like to invite you to attend this year's Gotham Awards as my guest. The awards will be happening November 30th at Cipriani Wall Street, and we'll be celebrating our 25th Anniversary. Robert Redford will be receiving the Actor tribute, Helen Mirren will be receiving the Actress tribute, Todd Haynes receiving the Director tribute, and Steve Golin will be receiving the Industry tribute. The Broad City ladies will be hosting. It's going to be a fantastic event and I hope you will be able to join me this year.

Best,
Joana
