The past two months have been incredible! I wish I can put into words how amazing it feels to kiss you, and how truly special you are. We are very lucky to have so many gifts, and to have found each other. You make everyday and everything exciting - I honestly can't wait for you to come home from your facial, I can't wait to make you laugh, and I can't wait to hear you sing your next song! You have shown me that life is so much better when you're looking forward to doing nothing with someone you care about.

Happy New year, my beautiful girl!

Love,
