Attached are invoices from Peter totaling 6,840.11
They include only advertising and internal fees for the period May 1 - July 31, 2013
Darren and I never signed their agreement as we never agreed to these fees and thought they would be compensated via their search fee if placement was made
We paid them non refundable search deposits for NES of 5,000 and Zorro 10,000 that would be credited towards search fee of 30%
Please advise
