**April 27 - 30 • Los Angeles**

DETAILS	TESTIMONIALS	WHO ATTENDS
The <b>Milken Institute Global Conference</b> is an event like no other. It's where influencers and	<b>"It is a forum where people who have all different kinds of perspectives come</b>	Now in its 17th year, the Global Conference annually attracts 3,000 leaders in business,

innovators in disparate disciplines gather to exchange ideas and solve some of the world's toughest challenges.

Our speakers and attendees — CEOs, investors, policymakers, philanthropists, educators and scientists — challenge one another's thinking in a sweeping and ambitious program touching on topics from financial markets, economic development, energy and global health to public policy, education, media and technology.

**together and talk about these things in a space where people feel actually free."**

— Bill Clinton

finance, health, government, public policy, academia, philanthropy, law, science, media and more. These individuals represent some of the world's top firms, organizations, universities and governments.
