JE and working today at 71st this is my next recommended purchase

The goals are to **improve the wi-fi connection in the master bedroom**

and to **replace the older express base stations which are sub performers on the network**

Jeffrey when you have a chance **please approve this** list so Rich can make the purchase or

If you have any questions or concerns please let me know current total is going to be about **\$1000 in hardware upgrade cost**

thank you

Scott
