Dear Dick

I am now on my way to LA, arriving today (Thursday) early evening.

May I suggest to give Adam a call either in the evening or tomorrow morning to fill him in as requested?

Adam, what time works for you for a call?

All the best

David

David,

Looking forward to Friday. I've asked one of my team members, Adam Goldston, to join us. I am out of the office and haven't been able to discuss with him the details of what we are trying to do in China. I did send him the term sheet. Can you please send to him an update what we are trying to accomplish and the history of the company with China?

Adam is CCd on this email.

Thanks.
