RE: Palm Beach Real Estate - Estate Section

Great News! The Palm Beach market continues to gain momentum (post 2008 - 2010 recession) as sale prices approach the historic highs of 2007. Sales volume is way up: 41% more homes sold in the Estate Section during 2013 than in 2012. Early indications are that this increase in volume (and sale prices) will continue during 2014.
