Dear Mr. Epstein,  
I hope this email you finds you well.

#### **Director of Residences**

Attached to this email are profiles for two of the three candidates we discussed that you wanted to Skype with. **Please note that Nigel Dagnall is conducting a *very confidential* search for a new position. We ask you to please not share his name with anyone. My guess is that you know his employer.**

#### **New Mexico Ranch**

I know you asked me about the qualifications of the couple from South Carolina. Enclosed are letters they wrote themselves to highlight their ranch specific experience. My team feels very strongly that you should meet this couple on Skype

#### **Chef**

We have 10 great chefs in our database that are suitable for the position. One of them worked for a close friend of yours for many years as well as other very high level NY clients. He is very interested in the position. Please let me know what the current status is with your chef and if you are ready to begin the process of hiring a new one.

#### **Personal Assistant**

We have a great personal assistant candidate that we would like for you to Skype to replace Sarah. Her name also happens to be Sara. She is in New York and is available as early as Friday to Skype with you.

All of the candidates have nanny experience and some even collect fossils!

I hope you have a wonderful 4<sup>th</sup> of July. [REDACTED] available for you anytime. We look forward to your input.  
Best regards,

Peter
