Goyard at Barney's is pretty confident they can have something monogrammed by the 24th. They are trying to contact the person who does it to confirm. They have the following:

This is \$5860 in black

They have it in a new gray color for \$7230. Small trunk style on 4 wheels for carryon.

This duffel they have in a lot of different colors. (Same one I have) This is the new gray color. \$3940 for black or red.

The other colors are \$5120..they have it in gray, yellow, red and burgundy.

This is like a weekend bag for \$4500. Comes in all black or the Black and Tan.

It has a zipper on the bottom which expands it another 5".

This is a classic old style suitcase for \$4100. Comes only in all black.
