 [This Week on Kickstarter](#)

May 09, 2013

This week we're exploring projects that examine the past, present, and future, and re-imagine how we look at the world. We're also super into our new [#Maps](#) tag! Who knew there was so much left to Map?!

 [Among the Sleep](#)

Infinite imagination

Ever wonder what it might be like to see the world through the eyes of a child? That's the driving concept for *Among the Sleep*, an adventure game where you explore a magical dream world from the perspective of a two-year-old. Essentially, it's the perfect game for the [Oculus Rift!](#)

Hunter Thompson: The Cozumel Diary

Hunter Thompson: The Cozumel Diary

by Al Satterwhite

 Category Photography

 Location Los Angeles, CA

Gonzo photos

In 1974, Al Satterwhite headed to Mexico to photograph Hunter S. Thompson. Documenting the king of gonzo journalism is no ordinary gig, but Al's photos — both effervescent and introspective — manage to capture the essence of Thompson's restless spirit. Now, Al is paying tribute to Thompson with a photo diary chronicling the time they spent running amok in Cozumel.

NeoLucida - A Portable Camera Lucida for the 21st Century

NeoLucida - A Portable Camera Lucida for the 21st Century

by Pablo Garcia & Golan Levin

 Category Product Design

 Location Chicago, IL

Trace the future

You've probably never heard of a camera lucida, but that's about to change! The 19th-century tool used by artists "to trace what they see" is being revived and modernized by Pablo and Golan, two men who understand the device's potential, and are determined to make it available for students and artists everywhere to enjoy!
