Dear Johnny,

It's taken me this long to calm down emotionally and finally write this to thank you for setting up NASCAR with [REDACTED] and [REDACTED] and the apt. In NY, and Janusz driving us anywhere and everywhere in the DirtBrotherMobile.

[REDACTED] loved him... We even took him to lunch with us at Randazzo's. It was funny because he doesn't eat fish.

Luckily they had a chicken platter... He inhaled it. He sho loved them French Fries!!

This was an amazing 4 weeks thanks to your friendship and generosity

(yeah, I know STFU). I'm glad I got to see you, and will continue doing everything I need to do to stay around a while longer (yeah, I know STFU). Oh yeah, the Oreo ice cream was creamy-GREAT!!

I love ya Johnny (yeah, I know STFU)

And, I never say shit like this unless I have some serious shit going on....like the [REDACTED]

Thank you

Thank you
