Moderators can now move posts between community categories

Based on all the amazing feedback you've shared, we know that being able to move posts from one discussion category to another is at the top of your wish list. We're excited to announce that moving posts is now possible, and will be rolled out to all moderators throughout the day.

To move posts between categories:

- 1) Go to a community that you moderate, and find a post ██████ like to move
- 2) Click on the post's current category (located at the...
